My dear Mrs. Manley:

We are going to try very hard to ship your order for white uniforms on August 3. This is not a definite promise, but we will do the best possible on this.

We received the forms you sent us for procedure to collect on the missing jacket and our claim department is working on this. We did not charge you for the replacement jacket, so as far as you are concerned this is finished.

I am referring your request on bats to Mr. Robb who will write you.

Very truly yours,
WILSON SPORTING GOODS CO.
